Honorable Edward P. Boland, Chairman  
Permanent Select Committee on Intelligence  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

This is in response to your letter of 25 March forwarding Representative Thomas R. Harkin's correspondence concerning a 21 December 1981 Newsweek article containing allegations of an assassination plan against President Carter by the Navy's Filipino stewards who service the White House mess and alleging Philippine Government complicity.

We do not have any information about the alleged assassination plot or possible Philippine Government involvement.

Sincerely,

B. R. INMAN  
Admiral, U.S. Navy  
Acting Director of Central Intelligence
